

HELMS 27 for SALE

“Tranquility” was manufactured in 1982 and kept only on Lake Murray. Excellent condition with many upgrades and maintenance. Yanmar 2GM 13hp diesel engine. Genoa and jib. Two overhead hatches, and two fixed side windows and four opening ports. Teak interior; ample storage. Marine head and holding tank with privacy door; vanity with stainless steel sink. Galley has stainless steel sink with water pump, icebox, and two burner propane stove. Electric panel with DC and AC shore power; shore power cord. Danforth anchor. Two knot meters, depth finder, and compass. \$10,000. CSC slip N9. Contact Harry Davis (803) 960-6464.

Service History:

I purchased in 2013:

- 2014 - sails restitched; new bimini top; new sail cover, tiller cover, winch covers, and hatch cover
- 2015 - boat hauled out and bottom repainted; side stripes repainted
 - engine – transmission rebuilt; all new hoses, filters, and fluids
 - installed new knot meter (Raytheon) and new depth finder/transducer (Raymarine 150)
 - installed new compass and new Windex 15
- 2019 - refinished all exterior teak, tiller and companionway boards
 - engine serviced and replaced water pump impeller

Per previous owner:

- 1996 - installed new prop (two blade, bronze, 13x12x2 RH)
 - installed Groco ARG raw water strainer
 - installed new mooring cleats
- 1997 - recaulked side fixed windows
- 2001 - installed new freshwater pump
- 2009 - installed two new overhead hatches (Bomar 900 Series)
