

COLUMBIA SAILING CLUB
BOARD OF STEWARDS MEETING

SPECIAL MEETING

May 4, 2020

Board Attendance: Bruce Seiffert, Jim Edwards, Curt Rone, Crawford Milling, Jerry Jowers, Bradley Anderson, Michelle Davis, Rich Horton, and Margaret Clarkson

Also present: David Van Cleef, Sailing Director

Commodore Bruce Seiffert called the meeting to order at 1706 hrs.

New Business:

Commodore Bruce Seiffert updated the Board on recent discussions with the Sailing Director regarding the prospects for holding a summer camp in light of the pandemic. The Sailing Director, David Van Cleef, described his conversations with the coaches about the uncertainty regarding the summer program. David has also been in communication with the parents of campers who have already signed up. Seventeen parents responded that as of today, they are planning to attend. David and the coaches are comfortable postponing a decision on whether to have a summer program or not until May 15th, after the Governor makes the next announcement regarding restrictions on activity and commerce. If we can have a summer program, he expects a lower attendance and to have to change some of the boats that will be used in order to keep kids safely distanced. He will continue to monitor other camps, CDC, DHEC, and other sources of information and guidelines.

No action taken. We will continue to monitor the situation.

The meeting ended at 1808.
